---------------------------	--

Course Outcome (CO):

Upon completion of the course, student shall be able to

CO 1	Understand the definitions, nature, scope, and development of Administrative Law, distinguishing it from Constitutional Law, and explain the sources of Administrative Law, including the principles of separation of powers and rule of law
CO 2	Analyze delegated legislation, its necessity, constitutional validity, growth, and classification, and critically evaluate the role and functioning of administrative tribunals in India.
CO 3	Apply the rules of natural justice in administrative and judicial proceedings, including the use of judicial review, writ jurisdiction, revision and appellate powers, and principles of public interest litigation and locus Standi.
CO 4	Examine the role, function, and legal liability of public authorities; including government agencies, civil services, public corporations, and statutory bodies, with an understanding of oversight mechanisms like Ombudsman, Lokpal, and Lokayukta.
CO 5	Interpret and critically assess landmark case laws related to administrative law, delegated legislation, natural justice, and public authority liability, developing skills for case-based reasoning and practical problem solving.
CO 6	Develop practical administrative law skills through case discussions, role-plays, debates, chart making, concept mapping, and analysis of law commission reports, fostering the ability to apply legal principles in real-world contexts.
CO 7	Develop critical thinking and analytical skills by linking constitutional principles, administrative processes, and judicial interventions to support informed decision-making in public administration.
